```
Command Prompt
Microsoft Windows [Version 10.0.17763.1577]
(c) 2018 Microsoft Corporation. All rights reserved.

C:\Users\ELCOT>py -m flask --version
Python 3.9.13
Flask 2.1.3
Werkzeug 2.1.2

C:\Users\ELCOT>
```

The screenshot shows a Windows Command Prompt window with a black background and white text. The window title is "Command Prompt". The text inside shows the command prompt running the command `py -m flask --version`, which outputs the following information: `Python 3.9.13`, `Flask 2.1.3`, and `Werkzeug 2.1.2`. The prompt is currently at `C:\Users\ELCOT>`. The Windows taskbar is visible at the bottom, showing the search bar, task view button, and several application icons (Edge, File Explorer, Mail, Photos, Teams, Chrome, and a folder icon). The system tray on the right shows the language (EN), volume, network, and battery status, along with the time (01:57) and date (09-11-2022).
